## Start Shopping with Raise Right

1. Log in to your Raise Right account. Using your computer, go to RaiseRight.com and log in. Or, using your cell phone, go to the Raise Right app.
2. You'll see two different tabs: Buy Gift Cards and Shop Online. Let's take them one at a time.

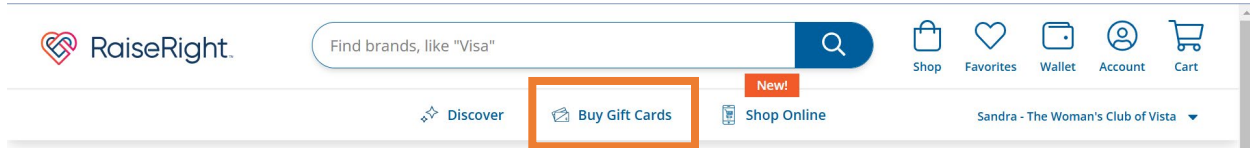

### Buy Gift Cards

Gift cards are specific to individual stores, so the next thing to decide is which store you want to buy from.

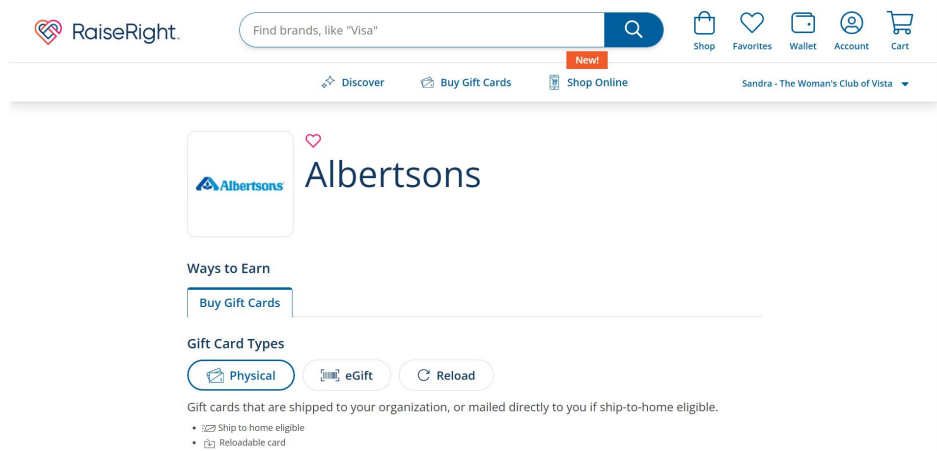

With gift card purchases through Raise Right, there are three types to choose from:

1. Physical – plastic is shipped to your home
2. eGift
3. Reload

To get started, select the Buy Gift Cards tab, which is highlighted with an orange square in the partial screen capture below.

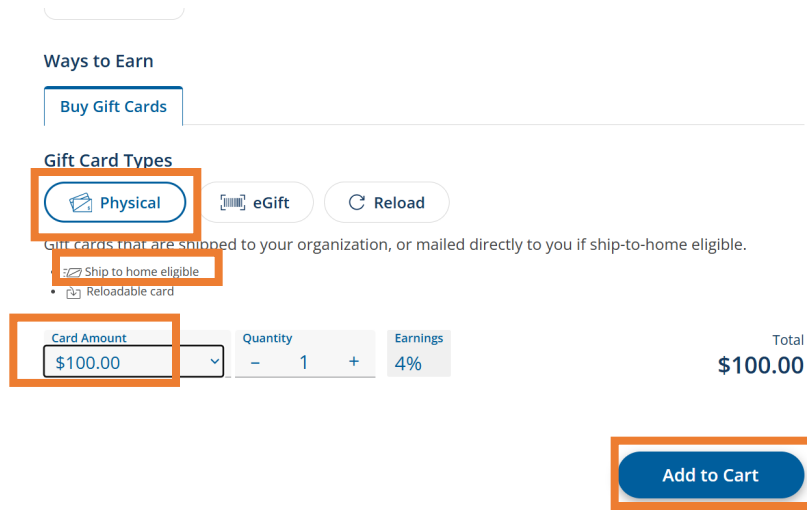

Next, you'll see a screen with numerous store options. Select the store you want to shop at. I will use Albertson's as my example. I clicked on the A and found Albertson's.

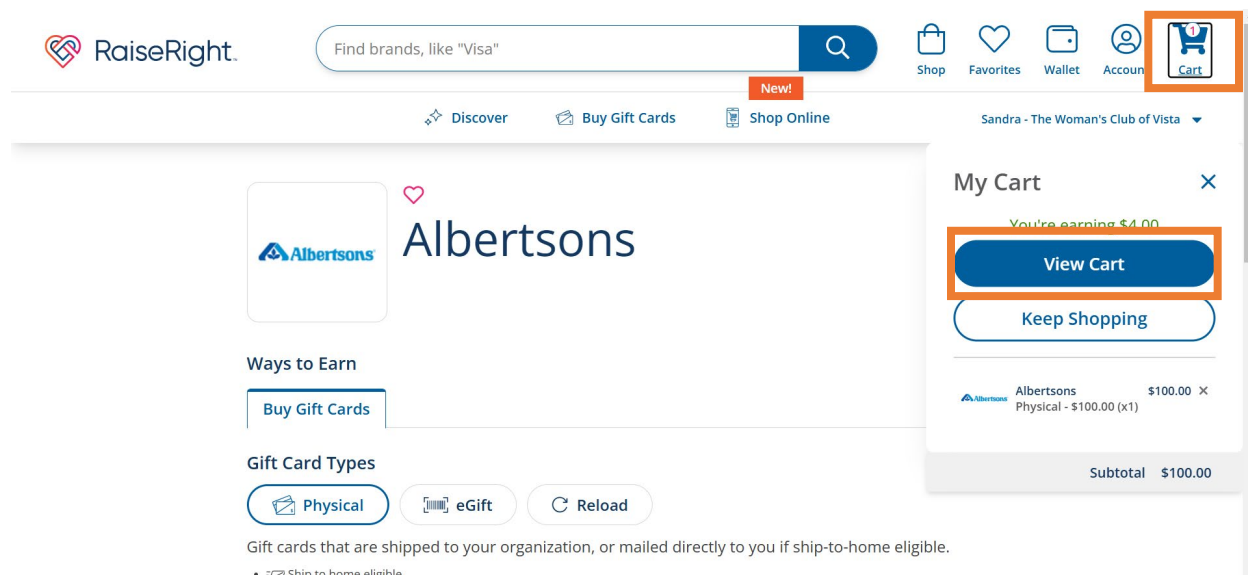

I know I'll be able to spend hundreds of dollars at Albertson's since I shop there regularly.

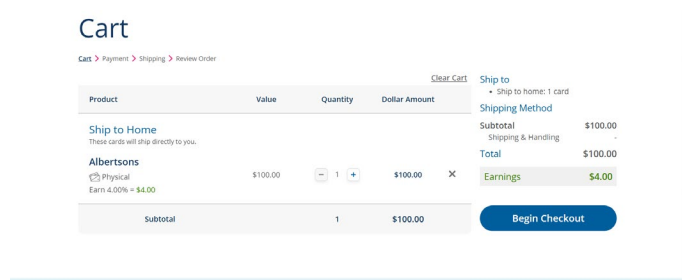

First, I will buy the **Physical Gift Card** using my PC. On the Albertson's page, make sure you can see "Ship to home eligible. Then select Physical for card type, choose the amount from the dropdown, and make sure you review the terms and conditions of each store. Click Add to Cart.

If you're done shopping, click the Cart icon at the top right of the screen and then click the button View Cart.

Here is what the cart looks like. Click Begin Checkout.

Select from Adding a Bank Account, Adding a Debit Card, or Adding a Credit Card and then follow the screen instructions to input your payment details.
